TDK & Company, Chartered Accountants, have conveyed their consent to be appointed as the Statutory Auditors of the Company along

with a confirmation that, their appointment, if approved and made by the members, would be within the limits prescribed under the Companies Act, 2013.

M/s Raj Gupta & Co., Chartered Accountants, is a firm of Chartered Accountants and have experience in various types of audits including Statutory Audits, Internal Audits, Stock Audits, Due Diligence and Investigation audits. They have experience in auditing different kinds of entities including Large Corporates, Small and medium sized entities, Multi locational entities etc. The Audit Firm has valid Peer Review certificate.

The Board proposes and recommends the aforesaid resolution for your approval

None of the Directors / Key Managerial Personnel and their relatives is in any way, concerned or interested in the said resolution.

Item No. 05

Based on the recommendation of the NRC, the Board of Directors appointed Mr. Sumeet Kaur (DIN: 10590604) as an Additional Non-Executive Director of the Company who will be liable to retire by rotation, w.e.f 15th April 2024, subject to approval of the Members.

Pursuant to the provisions of Section 149, 161(1), Schedule IV of the Act and Articles of Association of the Company, Mr. Sumeet Kaur (DIN: 10590604) shall hold office up to the date of this AGM and is eligible to be appointed as a Non-Executive Director. The Company has, in terms of Section 149, 160(1) of the Act, based on the recommendation of NRC, proposing his candidature for the office of Director. Mr. Sumeet Kaur, will be liable to retire by rotation. The profile and specific areas of expertise of Mr. Sumeet Kaur are provided as Annexure to this Notice.

The Board considers it desirable and in the interest of the Company to have Mr. Sumeet Kaur on the Board of the Company and accordingly the Board recommends the appointment of Mr. Sumeet Kaur as a Non-Executive Director as proposed in the resolution set out at Item No. 5 for approval by the Members.

Except for Mr. Sumeet Kaur and/or his relatives, no other Director, Key Managerial Personnel or their respective relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

Your Directors have pleasure in presenting the Management Discussion and Analysis report for the year ended on 31st March, 2023. Statements in this Management Discussion and Analysis of Financial Condition and Results of Operations of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events. The Company undertakes no obligation to publicly update or revise any forward looking statements, whether as a result of new information, future events, or otherwise. Readers are cautioned not to place undue reliance on these forward looking statements that speak only as of their dates.

1. Industry structure and developments.

Indian economy is going through a period of rapid 'financial liberalization'. Today, the 'intermediation' is being conducted by a wide range of financial institutions through a plethora of customer friendly financial products.

Over the years, our company has built a strong presence in the market through its cumulative experience, strong distribution network as well as sound systems and processes.

2. Opportunities and threats.

Being a Manufacturing company, our company is exposed to specific risks that are particular to its business and the environment within which it operates including interest rate volatility, economic cycle, and market risk.

3. Segment-wise or product-wise performance.

During the year under review, since company is being working in a single segment therefore the specific performance does not stand eligible.

4. Outlook

The Board of Directors and the Management of the Company are pursuing various available options to rehabilitate the Company and considering future business plans for the Company.

5. Risks and areas of concern

Our strength is our determination and team work, weakness is the low equity base, opportunities are multiples and threats are the vibrations in the economy and government policies.

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal endeavor is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

6. Internal control systems and their adequacy

The Company has carried out the internal audit in-house and has ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorised, recorded and reported. Exercises for safeguarding assets and protection against unauthorised use are undertaken from time to time. The Company's audit Committee reviewed the internal control system. All

efforts are being made to make the internal control systems more effective. All these measures are continuously reviewed by the management and as and when necessary improvements are effected.

7. Discussion on financial performance with respect to operational performance

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Generally Accepted Accounting Principles in India. Further, the financial performance during the year under reference has been impressive in terms of sales. Even though there has been a decent increase in the turnover, the volume of profits has also increased as compared to last year.

8. Material developments in human resources/industrial relations front, including number of people employed.

The company had sufficient numbers of employees at its administrative office. The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The company enjoyed excellent relationship with workers and staff during the last year.

9. Cautionary Statement

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

Independent Auditor's Report

To the Members of KD Leisures Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of **KD Leisures Limited** (The Company"), which comprise the standalone Balance Sheet as at 31 March 2023, the standalone statement of Profit and Loss including Other Comprehensive Income, the standalone statement of changes in Equity and the standalone statement of cash flows for the year ended 2023, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the Standalone as Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in Basis for Qualified Opinion section of our report the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended, ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, changes in equity and its cash flow for the year ended on that date.

Basis for qualified Opinion

Loans and Advances:

Loans and advances are subject to confirmation.

Pending Income Tax Cases:

Income tax assessment cases for the assessment years 2017 and 2020 are pending against the client.

Non-filing of Income Tax Returns:

The assessee has not filed its income tax returns for the assessment year 2021-22 onwards.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the

provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters:

The financial statements for the year ended March 31, 2022, were audited by another auditor who expressed an unmodified opinion on the financial statements. Limited review of Quarter-June 2022 was done by previous auditor.

Key audit matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have not come across with any key audit matter to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures but does not include the Standalone Financial Statements and our report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statement, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the act read with companies (Indian accounting standards) rules, 2015.

amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of The Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA'S will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAS, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(b) of

the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2020 (the Order), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act we report that:
 - a) Except for the matters described in the basis of qualified section, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure- B". Our report, except for the matters discussed in basis of opinion paragraph, expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, we report that the managerial Remuneration for the year ended 31st March, 2023 has been paid/provided to its directors in accordance with the provisions of section 197 and schedule V to the act.

- h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (a) The management has represented that, to the best of its knowledge and believe other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Standalone Financial Statement, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement; and
- iv) Since the Company has not declared or paid any dividend during the year, accordingly, commenting on whether dividend declared or paid is in accordance with Section 123 of the Companies Act, 2013 is not applicable.
- v) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 requires all companies which use accounting software for maintaining their books of account, to use such accounting software which has a feature of audit trail, with effect from

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **KD Leisures Limited** ("the Company") as of 31 March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We have also relied upon the Internal Audit Report submitted by the Internal Auditor of the Company.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, except for the matters stated in basis of qualifies opinion, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the year ended 31st March, 2023

1 Corporate Information

KD Leisures Limited "the Company" is a public company incorporated under Indian Companies Act, 1956 having its registered office at Maharashtra. The Company is a listed company at Bombay Stock Exchange.

The registered office of the company is located at B-702, 7th Floor, Neelkanth Business Park, Kinsol Village, Near Bus Depot, Vidyavihar West, Mumbai- 400086, India. The Company's CIN is L55100MH1981PLC272664.

2 Significant Accounting Policies:

2.1 Statement of compliance

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements correspond to the classification provisions contained in Ind AS 1, "Presentation of Financial Statements". For clarity, various items are aggregated in the statements of profit and loss and balance sheet. These items are disaggregated separately in the notes to the financial statements, where applicable.

Accounting policies have been applied consistently to all periods presented in these financial statements.

2.2 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

2.3 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17 and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are detailed as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly, and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.4 Use of estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of valuation of deferred tax assets and provisions and contingent liabilities.

Valuation of deferred tax assets

In view of uncertainty of future taxable profit, the Company has not recognized deferred tax asset (net of deferred tax liabilities) at the year end.

2.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised:

a) Income is recognised on accrual basis except income related to non-performing assets, which is accounted on cash basis in accordance with prudential norms of Reserve Bank of India.

b) The Company has adopted Interest Rate of Return (IRR) method of accounting in respect of finance charges income for hire purchase/lease transactions. As per this method, the IRR involved in each hire purchase/lease transaction is recognised and finance charges calculated by applying the same on outstanding principal financed thereby establishing equitable distribution of income over the period of the agreement.

c) Interest on overdue installments is accounted for on receipt basis.

d) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e) Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

2.6 Foreign currencies

The functional currency of the Company is Indian rupee (₹).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and measurement are recognised in the statement of profit and loss.

2.7 Employee benefits

The Company provides post-employment benefits through various defined contribution and defined benefit plans.

2.7.1 Defined contribution plans

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government. The Company has no legal or constructive obligations to pay further contributions after its payment of the fixed contributions, which are recognised as an expense in the year in which the related employee services are received.

2.7.2 Defined benefit plans

The defined benefit plans sponsored by the Company define the amount of the benefits that an employee will receive on completion of services by reference to length of service and last drawn salary. The legal obligation for any benefits accrues with the Company.

Gratuity is post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is measured on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Short-term employee benefits

Expenses in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.8 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.8.1 Current tax

2.8.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which these deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

2.8.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.9 Inventories

Represented assets are valued at the end at lower of book value or net realizable value as certified by the management of the Company.

2.10 Property plant and equipment

The Company has elected to continue with the carrying value of all of its plant and equipment (including freehold land) as at the transition date, viz., 1 April 2015 measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Property plant and equipment and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any).

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to the Statement of Profit and Loss during the financial period in which they are incurred.

Depreciation is computed on Straight Line Method (SLM) based on estimated useful lives as determined by internal assessment of the assets in terms of Schedule of II to the Companies Act, 2013.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

No further charge is provided in respect of assets that are fully written down but are still in use.

2.11 Intangible assets

Development of property (website) and software costs are included in the balance sheet as intangible assets, where they are closely linked to long term economic benefits for the Company. These are measured initially at purchase cost and then amortised on a straight-line basis over their estimated useful lives.

2.12 Impairment of tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

2.13 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

2.14 Financial Instruments

A. Initial recognition

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are usually measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

B. Subsequent measurement

I. Non-derivative financial instruments

a. Financial assets carried at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. Financial assets at fair value through other comprehensive income

Investment in equity instruments (other than subsidiaries / associates / joint ventures) – All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Dividends on such investments are recognised as profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

c. Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

d. Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method, except for contingent consideration recognised in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

II. Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

C. Derecognition of financial instruments

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

2.15 Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and data existing at each reporting date. The methods used to determine fair value include: discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

2.16 Impairment of financial assets (other than at fair value)

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.
